I think it's just vapor. It won't hurt my kid like cigarettes, right?

The vapor that's inhaled from e-cigarettes contains harmful chemicals that can cause irreversible lung damage.

And e-cigarettes have nicotine, a toxin that's addictive and can change your kid's brain. Those are the facts.

Talk to your kid about vaping. Get the facts at TalkAboutVaping.org

ERA DESIGNATIONS AND TAX ABATEMENTS FOR SOLAR COMPANIES

Solar companies are seeking an Economic Revitalization Area (ERA) Designation on 10,825 acres of productive farmland. Designating farmland as an ERA appears at odds with the plain language of Indiana statute.

Mammoth Solar is seeking a 100% tax abatement for 20 years.

Moss Creek Solar is seeking a 10-year, on a declining scale 100%, 90%, 80%...

Industrialized solar installations tout that they will financially strengthen communities, schools, libraries, etc. However, they are asking for tax abatements and offering to pay Economic Development payments which are lower than their tax liabilities otherwise would be.

This decision WILL affect you and your community!

Why is the county considering their request at this time? The solar projects are presently the subject of legal challenges.

Please attend this important public hearing and speak up!

- The sandhill cranes are back at the Jasper-Pulaski Fish and Wildlife Area, and you can pick up a Crane Activity Kit for kids at the library to celebrate this local wonder of nature. Each kit includes a coloring sheet, word search, comic, crane sticker, and more. Kids will also learn about cranes and how they can become a crane hero.
- The library is excited to offer access to the meditation app Ten Percent Happier. This app features some of the best mindfulness and meditation teachers in the world, teaching you about meditation, leading you in guided meditations on various subjects (e.g. calm, sleep, focus, resilience), and sharing science-backed wisdom on how to maintain sanity — and even happiness — in these tumultuous times. The library is making this program available at no cost to resident cardholders. To sign up, visit the library website or give us a call.
- During this season of giving, consider making a donation to the library. The library's annual budget is only partially covered by county dollars. Your gift helps the library expand its offerings and provide programs for children, teens, and adults. Call 574-946-3432 or stop in to learn how.
- Register your child to receive one free book a month from birth to their fifth birthday from Dolly Parton's Imagination Library by signing up online at www.imaginationlibrary.com.
