Our Obstetrics/Gynecology team cares for you as a whole person — from childbirth through menopause and beyond.

Dr. Cly and Dr. Adebayo are both experts in robotic-assisted surgeries with a combined experience of over 1,100 procedures. They offer patients a faster recovery, the ability to drive the next day, minimal pain, and dime-size incisions. They have also delivered over 4,000 babies and provided exceptional care to women in more than 120,000 office visits.

You can count on them to value you as a woman, and not just focus on your symptom or problem at the moment. Their goal is to earn your trust. They want to eliminate your anxiety and worry. And they promise to provide you with all of the knowledge you need so you can know you are in control of your health and are able to make the optimum treatment selection that is personally best for you.

If you are pregnant or have experienced recurrent pregnancy loss, we are here for you. If you suffer from chronic pain, heavy bleeding, fibroids, endometriosis, pelvic prolapse, any other gynecological issues, or would like a second opinion, please schedule an appointment to begin your path to your best life again quickly — *and easily.*
