 In loving memory of
WANDA M. MYERS

 MY MOTHER
 My mother is a woman like no other.

She gave me life, nurtured me, taught me, dressed me, fought for me, held me, shouted at me, kissed me, but most importantly loved me unconditionally.

There are not enough words I can say to describe just how important my mother was to me, and what a powerful influence she continues to be.

Mom, I love you and miss you so much.
 Love you always and forever,
 Shelia

HERE'S WHAT YOU MISSED IN THIS WEEK'S PULASKI COUNTY JOURNAL**Lifelong educators establish Mellon Patch Community Fund**

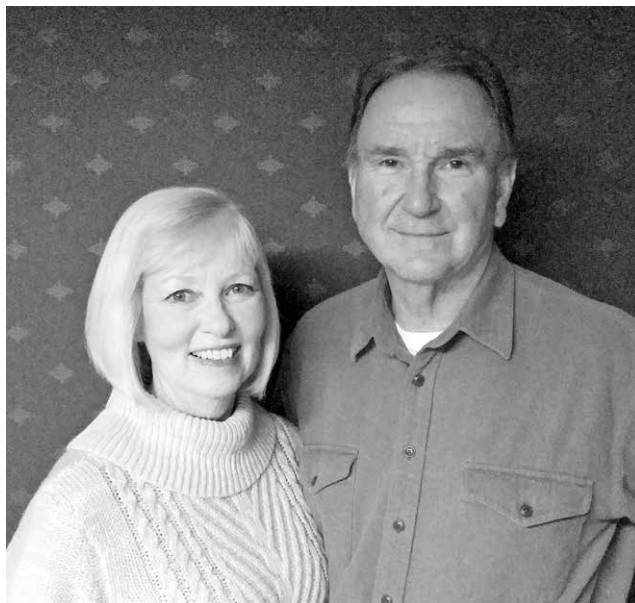

Two lifelong educators and tireless community servants, Chuck and Darlene Mellon, have chosen to extend their positive impact on Francesville and Pulaski County far into the future.

The Mellon Patch Community Fund is a permanent fund established by the Mellons through the Community Foundation of Pulaski County (CFPC). This unrestricted fund will provide charitable support for community needs for years to come, and will help ensure that the Mellon's spirit of community involvement lives on.

Inspiration for the name of the new fund came from the "Mellon Patch" boys' cheer block, well-known in the mid to late '70s when Chuck was junior varsity basketball coach at Winamac. Chuck's career in education spans more than 40 years, beginning at Rossville, before coming to Winamac. From there, Chuck went on to become principal of John Glenn Middle School; then assistant principal, principal and later superintendent at West Central schools where he retired in 2014.

Darlene's life was changed when she was awarded a \$200 scholarship as a high school senior. She became the first person in her family to graduate from college, and she went on to earn a master's degree from Purdue University. Darlene's first teaching position was as a kindergarten teacher in Michigantown. She then initiated the kindergarten program at North White and helped create, oversee and teach at a nursery school in Walkerton before coming to Francesville. Her 30 years of teaching at West Central concluded with her retirement in 2011.

In addition to their passion for education, both Chuck and Darlene are deeply committed to their community, serving on numerous church-related efforts and community service organizations, both in Francesville and countywide. Each has served as director on the Community Foundation of Pulaski County board, with Chuck serving for 12 years and Darlene currently in her second term.

Chuck and Darlene Mellon

"We felt this was the perfect time to create the Mellon Patch Community Fund and to give back to Pulaski County because we could take advantage of Lilly Endowment's GIFT Phase VI matching program," they said.

Through Lilly Endowment Inc., the GIFT VI initiative offers matching dollars for contributions through March 31, 2016, or as long as matching funds last. The Mellon Patch Community Fund is sure to bear much fruit for Francesville and Pulaski County in the years to come, thanks to Chuck and Darlene Mellon.

For more information about this or any other community foundation fund, contact CFPC at 574-946-0906, stop by the CFPC office at 127 E Pearl Street, or visit www.cfpc.org.

IRS offers free online filing

This tax season, the Indiana Department of Revenue continues to offer free federal and state filing through Indiana freefile (INfreefile).

Taxpayers with an adjusted gross income of \$62,000 or less in 2015 may qualify for INfreefile. Nearly 2 million Hoosier taxpayers qualify for this program. INfreefile allows taxpayers to use sophisticated question-and-answer style software from trusted vendors to file for free.

Taxpayers should visit www.freefile.dor.in.gov to learn more about the program and to see if they qualify based on the vendors' options.

Qualified taxpayers can select the vendor of their choice and complete their tax return for free. Participating vendors include TurboTax, H&R Block, TaxAct, OLT Online Taxes, and 1040NOW.

Benefits of electronic filing include:

- **Faster refunds** — Electronically-filed returns are processed in 12 to 14 days, whereas a paper-filed return can take up to 12 weeks.
- **More secure** — Fewer people see your personal information.
- **Get more or pay less** — E-filing software may suggest credits and deductions about which you might not have known.
- **Better accuracy** — Electronically-filed returns have a two percent error rate versus 20 percent for paper returns.

INfreefile is part of the Free File Alliance, a national program developed in 2003 through a cooperative effort between the IRS and tax preparation software vendors. More than 43 million taxpayers across the country have used Free File.

If taxpayers have questions or concerns about their returns, they should contact the department by calling 317-232-2240 or emailing individualtaxassistance@dor.in.gov.
