Governor orders Hoosiers to stay home in fight against COVID-19

Governor Eric J. Holcomb delivered a statewide address on Monday to order that Hoosiers remain in their homes except when they are at work or for permitted activities, such as taking care of others, obtaining necessary supplies, and for health and safety. The order is in effect from March 25 to April 7.

"The next two weeks are critical if we are to slow the spread of COVID-19, and we must slow the spread. You must be part of the solution, not the problem," Holcomb said.

The first positive case of COVID-19 in Indiana was reported on March 6. Since then the number of positive cases has increased on a near daily basis, escalating as the capacity to test has grown. As of Monday, the number of tests completed in Indiana is 1,960, the number of positive cases is 259 and seven deaths have been reported.

In all, Holcomb issued four executive orders:

- EO 20-08. Stay at Home. Provides for essential and nonessential business and operations, infrastructure, government services, travel and activities outside of one's home.
- EO 20-09. Continuity of State Operations. Provides for the continuing operation of state government through 8 a.m. April 7 with restricted access to government buildings and services.
- EO 20-10. Enforcement Directive Regarding Prohibition of In-Person Dining.
- EO 20-11. Provisions for carryout consumption of alcohol.

Indiana Stay-At-Home Order Frequently Asked Questions

The Stay-At-Home Order takes effect Tuesday, March 24, at 11:59 p.m.

When does the order end?

The order ends on Monday, April 6, at 11:59 p.m., but could be extended if the outbreak warrants it.

Where does the order apply?

The Stay-At-Home Order applies to the entire state of Indiana. Unless you work for an essential business or are doing an essential activity, you must stay home.

Is this mandatory or a recommendation?

This order is mandatory. For the safety of all Hoosiers, people must stay home and prevent the spread of COVID-19.

How will this order be enforced?

Staying home is critical to reducing the spread of COVID-19 in your community. Adhering to the order will save lives, and it is the responsibility of every Hoosier to do their part. However, if the order is not followed, the Indiana State Police will work with local law enforcement to enforce this order. The Indiana State Department of Health and the Alcohol and Tobacco Commission will enforce the restaurant and bar restrictions.

What is an essential business?

Essential businesses and services include but are not limited to grocery stores, pharmacies, gas stations, police stations, fire stations, hospitals, doctor's offices, health care facilities, garbage pickup, public transit and public service hotlines such as SNAP and HIP 2.0. A list can be found in the Governor's executive order at in.gov/coronavirus.

Will the grocery store/pharmacy be open?

Can I still order take out/delivery from restaurants and bars?

Yes, restaurants and bars can continue to provide takeout and delivery, but should be closed to dine-in patrons.

What if I still have to go to work?

What if I think my business should be closed, but they're still asking me to report to work?

Essential businesses will remain open during the stay-at-home order to provide services that are vital to the lives of Hoosiers. If you believe your business is nonessential but still are being asked to show up to work, you may discuss it with your employer.

Can I leave my home to exercise?

Primary election moved to June 2

Gov. Eric Holcomb joined Secretary of State Connie Lawson, Republican Party Chair Kyle Hupfer and Democratic Party Chair John Zody to announce an agreement to move the date of this year's Indiana primary election from May 5 to June 2.

All dates corresponding with the primary election will be moved by 28 days to reflect the new date of the primary. For example, military and overseas ballots are required to be mailed 45 days prior to the primary election, so they'll move 45 days prior to June 2.

"The right of citizens to elect their leaders in a free and open election is one of the cornerstones of America. In order to balance that right with the safety of county employees, poll workers and voters, delaying Indiana's primary election is the right move as we continue to do all we can to protect Hoosiers' health," Holcomb said.

Holcomb signed an executive order to suspend Indiana's election statute and move the dates.

In addition, Holcomb, Lawson, Hupfer and Zody made the following

recommendations to the Indiana Election Commission.

- Suspend absentee by-mail rules to allow all Hoosiers the option to vote by mail in the upcoming primary election.
- Allow county clerks to continually mail ballots from now through 12 days out from the new primary election date.
- Confirm ballots with a May 5, date will be valid.
- Enable medical professionals to be eligible members of traveling boards for nursing home and hospital patients to vote.
- Give family members the ability to deliver absentee ballots. Currently only a member of a voter's household may take possession of their ballot.

"As Indiana's Chief Election Officer, it is my top priority to protect our elections, but, above all else, it is my duty to protect the health and safety of Hoosiers," said Secretary Lawson. "I believe the bi-partisan recommendations we have asked the Indiana Election Commission to take will allow us to provide all Hoosiers the opportunity to vote.

HERE'S WHAT YOU MISSED in this week's PULASKI COUNTY JOURNAL

Pulaski County courts respond to COVID-19

Pulaski Superior Court Judge Crystal A. Kocher,
Pulaski Circuit Court Judge Mary Welker

In response to concerns about COVID-19, the Pulaski County courts are working with local emergency management, are monitoring the situation with guidance from health officials, remain open for operations, and are enacting continuity of operations, which will change how we operate. For questions about a specific hearing, you should contact that court directly.

The Indiana State Department of Health, which is Indiana's lead agency on COVID-19, has the latest information about the virus. The best approach is to use fundamental healthy practices, such as washing your hands, covering your mouth with your arm or a tissue rather than your hand, and staying home when you are ill.

Maintaining required court operations is important. The health and safety of our employees and community are equally important. Therefore, Pulaski County courts will operate using their developed continuity of operations plans and will continue to keep the community informed regarding procedures.

In Pulaski County, the Pulaski County Commissioners closed county buildings to the public, effective Monday, March 23. Court offices will remain open for telephone calls and e-filing, but the public will not be admitted unless directly ordered to do so.

Jury duty

Individuals who have received a jury summons should contact the court by telephone directly for instruction. No jury trials will occur in Pulaski County until after May 4, based upon the authority of the Indiana Supreme Court the order granted under Administrative Rule 17.

Litigants/parties to a case

Individuals who are scheduled to come to court for a hearing in a criminal matter or problem-solving court matter prior to April 6, should contact their attorney directly if they have not received notice in the mail specifically regarding that hearing. This is a constantly evolving situation and you should know the judges are watching it closely.

Individuals who are scheduled to appear for a juvenile or Child in Need of Services (CHINS) matter before April 17, should contact their attorney or circuit court if they are unrepresented, before any scheduled court date.

Individuals who are scheduled to appear in court for a civil matter prior to April 6 should contact their attorney directly by telephone.

If represented, litigants should be in contact with their attorney to receive the advice of counsel.

If you have been exposed to the COVID 19 virus, are not healthy, or need special consideration contact your attorney or the court by phone as soon as possible and prior to your scheduled hearing date. The court will attempt to make arrangements for you to appear by phone or electronically, if appropriate.

Attorneys

Lawyers who are scheduled to appear prior to April 6, should follow the guidelines provided them directly by the courts in previous communications. Any questions should be directed to the courts by telephone.

E-filing and Odyssey I

Pulaski County transitioned to the statewide case management system, Odyssey, on Monday, March 16, after a year of preparing to do so. This transition will allow the courts to continue to operate, even if staff must work remotely to handle filings. Cases and documents can continue to be filed through the statewide system. No filings will be accepted in person and should be mailed if an unrepresented litigant finds it necessary to do so. Please call the courts directly with questions regarding the same.

Litigants, attorneys, press and public can continue to view case information on mycase.in.gov.

Jail

The Pulaski County courts are working with the Pulaski County Sheriff to ensure public safety. Anyone arrested or defendants already in jail will continue to be seen by each judicial officer as required under existing laws. The courts will maintain each individual's right to due process, even considering these difficult times. Each court has established video conferencing ability with the jail to hold essential hearings as necessary for any inmate.

All questions regarding jail operations and visitation should be directed to the Pulaski County Sheriff's office at 574-946-6655.

Juvenile facility

Pulaski County does not have a juvenile facility. Each juvenile facility will have their own requirements. Please contact your child's probation officer if you do not have contact information for that facility. Please call a facility before you travel.

Pulaski Circuit Court will make necessary arrangements for counsel to meet with clients if necessary.

Probation and Court Ordered Services

Pulaski County courts run the Pulaski County probation department/court ordered services. All individuals on probation should continue to be in contact with their probation officer and are expected to continue to appear in person or as directed by their probation officer. Call the probation department at 574-946-6558 or email probationoffice@pulaskicounty.in.gov.

Special volunteers

Volunteers, such as CASA or VASIA, who have cases before the court scheduled through April 17, should contact Pulaski Circuit Court at 574-946-3851 for updates as to whether each hearing will be held or continued. If you have been exposed to the COVID 19 virus, are not healthy, or need special consideration, please contact the court by phone as soon as possible and prior to your scheduled hearing date. The court will attempt to make arrangements for you to appear by phone or electronically.

Administrative Rule 17

Administrative Rule 17 describes the Indiana Supreme Court's ability to oversee the local administration of trial courts in the event of any unanticipated work interruption. Trial courts can utilize the rule by petitioning the Supreme Court for emergency relief, if needed, based on local circumstances. Pulaski County Superior and Circuit Courts have filed a petition for emergency relief and it has been granted under 20S-CB-00160. A copy of the order is available upon request from either court or online.

The Pulaski County courts are working with local emergency management and health departments to ensure we are taking the necessary steps in response to the virus, while maintaining community safety. Media with questions should be directed to the judicial officer with any questions.

HERE'S WHAT YOU MISSED in this week's PULASKI COUNTY JOURNAL

On My Way Pre-K applications for the 2020-2021 school year now available

Indiana's Office of Early Childhood and Out-of-School Learning is now accepting applications from families in any Indiana county who may be eligible for grants for their children to receive high-quality, prekindergarten education through the On My Way Pre-K program for the 2020-2021 school year.

In addition, OECOSL is introducing a new, easier-to-use online application called "Early Ed Connect," which families will use to apply for both On My Way Pre-K and child care assistance provided in Indiana via the federal Child Care Development Fund or "CCDF."

- Easy use via mobile devices, as well as on a computer or tablet
• Ability to apply for multiple children in one application
• Ability to upload supporting documents, including via photo from a mobile phone
• Ability to save application progress and complete it at a later time
• Notification of successful submission
• Spanish version is available

For the 2020-2021 school year, a child is eligible for an On My Way Pre-K voucher if they live in any Indiana county, will be 4 years old by Aug. 1, 2020, and plan to start kindergarten in the 2021-2022 school year.

There will also be a limited number of vouchers

available for a child who will be 4 years old by Aug. 1, 2020, lives in a household with income up to 185% of the federal poverty level and has:

- A parent/guardian who is working, attending job training or an educational program OR
• A parent/guardian who receives Social Security Disability Insurance or Supplemental Security Income benefits

from any of the eligible, enrolled On My Way Pre-K programs. Families can search approved providers at www.ChildCareFinder.IN.gov.

Approved pre-K programs may be located in a public or private school, licensed child care center, licensed home or registered ministry as long as that program meets the quality requirements and is registered as an On My Way Pre-K Provider.

More than 11,500 Hoosier children have attended preschool through a grant from the On My Way Pre-K program since it began in 2015.

The Office of Early Childhood and Out-of-School Learning is a division of the Indiana Family and Social Services Administration.

Information about the program and the link to apply can be found at OnMyWayPreK.org. There is also assistance available for any issues related to the online application at http://EarlyEdConnectSupport.org.

On My Way Pre-K awards grants to 4-year-old children from low-income families so that they may have access to a high-quality pre-K program the year before they begin kindergarten.

Once the family has met eligibility requirements and has been awarded a grant for their child, they may choose

Pulaski Memorial Hospital COVID-19 has fundamentally changed how we operate as a society... The Hospital's COVID Task Force remains in contact with the CDC... A few things to remember: 1. Please continue to use social distancing and good hygiene... 2. Please continue to call your primary care provider before presenting to their office... We want to emphasize that testing kits remain limited. We are working with State and Federal officials to obtain more test kits... As healthcare providers, we understand our role as an organization our residents will look towards in times of uncertainty. We will continue to work hard, we will continue to fight for resources, and we will continue to provide the best care possible to this community.
