Thank You

Since January 13th, the Pulaski County Health Department has administered over 3,000 doses of the COVID-19 vaccine. We couldn't have done this without the assistance of the community.

We want to sincerely thank the Knights of Columbus. We are incredibly grateful to them for letting us use their facility for our vaccination clinics.

We also want to thank our volunteers who have been so willing to assist us throughout this entire process. We truly could not have been able to vaccinate as many people as we did without their help.

Lastly, we want to thank our community partners who provided additional resources and assistance:

As of May 6th, 2021, the COVID-19 Vaccination Clinic will transition to the Pulaski County Health Department at 125 S. Riverside Drive in Winamac. Clinics are scheduled every Thursday from 11 am to 7 pm during the month of May. Appointment times are still available through www.ourshot.in.gov or by calling 211. At this time, the Health Department only provides the Moderna vaccine, so participants must be 18 years of age or older.

The CDC recommends that every adult receive a COVID-19 vaccination. Currently, studies are underway to determine the safety of vaccinations for children.

Public Health Prevent. Promote. Protect.
