The members of the Northern Indiana Power From the Past wish to thank everyone for making this year's show a huge success. As in the past, members of our community and those who attend the show from surrounding towns have supported our club in many ways. There are also many area groups such as the Boy Scouts and local 4-H clubs who help behind the scenes to ensure that the event goes smoothly. Finally, individuals, as well as families, find the time to assist club members in the daily events. Thank you again for sharing your time and talents each year.

See you next year!
