HERE'S WHAT YOU MISSED in this week's PULASKI COUNTY JOURNAL

Looking Back...

2012 - 10 years ago

- The Indiana Academic Spell Bowl team at Winamac Community High School ended a highly successful season on Saturday. On that day, the team competed at the state finals at Purdue University in West Lafayette. The team placed sixth in the state in Class 3. This is the first state finalist team from Winamac since 2002.

1997 - 25 years ago

- Doug Gutwein from Francesville said that they have received a "Build Indiana" grant, and asked if the county was still interested in housing the ambulance in the new fire station after completion. The cost to the county would be approximately \$1,200 per month, which includes utilities. Gutwein explained that if Head Start also uses the facility, the county's cost would be lower. The Board explained that the County Council would have to help make the decision as they need to approve the funds for payment. The hospital must also be in agreement to sign the contract for housing.

- Winamac student Mike Haschel participated in the USA Junior Olympics cross country championship in Indianapolis. Haschel placed third overall out of over 50 top-quality runners in his age group. He finished with the time of 14:47 which qualifies him for the Regional Championship in Lisle, Illinois.

1972 - 50 years ago

- John Vessley and the Rev. Josef Palat received the Boy Scouts Award of Merit at the Northern District recognition dinner at Pinhook Grange last Tuesday night.

- Christmas decorations were put up the latter part of last week and this week by employees of the Town Light Department, Ken McFarland, a light department employee, displayed his artistic talent while decorating the poles.

- A two-ton truck driven by Raymond F. Rausch, 21, Winamac, sustained \$400 damages Friday evening on CR 100S, two and a half miles southwest of Winamac.
