**HONEST OBGyn**

**Geoffrey Cly, MD, FACOG**

*Coming to Woodlawn in December!*

Dr. Geoffrey Cly is Board-Certified and a Fellow of the American Board of Obstetrics and Gynecology with 20 years of experience. He is one of the most experienced daVinci Robotic, Laparoscopic and Gynecological Surgeons in the Midwest with over 1,000 robotic and over 2,000 laparoscopic procedures successfully performed. He has delivered over 3,000 babies and seen over 100,000 patients in his 20-year career.

Dr. Cly began his medical career in Dayton, Ohio after receiving his M.D. degree from Wright State University School of Medicine in Dayton. He worked 3 years for Dayton OB-GYN, Inc. and has been with Parkview Physicians Group for over 16 years prior to coming to Woodlawn. He is part of the clinical faculty at Indiana Purdue Fort Wayne School of Medicine and Indiana Purdue Fort Wayne Nurse Practitioner Program. He is also a clinical preceptor and physician proctor.

Dr. Cly believes women deserve to know all treatment options available and have honest, educated and up to date physicians guiding them on their journey to health and healing. He believes all patients deserve active and competent doctors. His motto has always been, "Do whatever is necessary for the benefit of the patient." Each patient is a gift and his Hippocratic oath in becoming a doctor is still the most important oath of all.

Find out more about Dr. Cly by visiting his web site, *HonestOBGyn.com*. His site provides honest answers regarding female issues to women nationwide. Fortunately, he is local, and women of all ages have the opportunity to be his patient and take advantage of his personal integrity and knowledge, *right here*, in his new Rochester office.
