CARLSON Crop and Hail LLC

Your one-stop shop for all your MPCI, Hail and Private product needs.

If someone offers a product you are interested in, most likely I have that product or one that I feel is better. I am a farmer myself so I look at insurance from the producer's side as well and have a no-pressure approach to selling. You can become insurance poor real quick if you buy the wrong products.

I will be in this business for the next 20-plus years so you can deal with the same agent and not wonder who will represent you next year for a long time.
